PROFESSIONAL OVERVIEW

I am a final-year Software Engineering student at Macquarie University, passionate about AI and software development. My focus is on building innovative solutions that drive real-world impact. I stay engaged with industry trends and continuously seek opportunities to grow and apply my expertise in cutting-edge technologies.

SKILLS

Back End Development | C++ • Java • Python • Javascript

Front End Development | Flutter • React Native • HTML • CSS

Miscellaneous | PyTorch • Rest APIs • MySQL

Soft Skills | Teamworking • Problem Solving • Communication

WORK EXPERIENCE

AI Software Engineer (Intern)

[Advent Atum](#), Sydney, NSW | July 2024 - March 2025

- Assisted in the development of image recognition models and LSTM models
- Worked with computer vision libraries to enhance AI-driven applications
- Contributed to the optimization of deep learning models for improved performance
- Assisted in adding new features to an Android app using Flutter

Techbar IT Support

[Woolworths Group](#), Sydney, NSW | May 2018 - May 2018

- Completed my required work experience for year 10 conducting tasks such as re-imaging operating systems and setting up new devices for employees.

EDUCATION

Macquarie University

Bachelor of Engineering –
software engineering
Feb 2021 – Nov 2025

ACHIEVEMENTS

Rising Star Award

Advent Atum
2025

Letter of Commendation – COMP1050 HD

Macquarie University
Session 2 2021

COURSEWORK (OVERVIEW)

COMP3010 – Algorithm Theory and Design

Macquarie University, Macquarie Park
2024

COMP2010 – Algorithms and Data Structures

Macquarie University, Macquarie Park
2022

COMP2000 – Object-Oriented Programming Practices

Macquarie University, Macquarie Park
2022

COMP1350 – Intro to Database Design and Management

Macquarie University, Macquarie Park
2021

COMP1050 – Intro to the Study of Software Engineering

Macquarie University, Macquarie Park
2021
